ONLINE ORDERING AND ACCOUNT SERVICES

Our web-based business portal “My Boral” delivers a comprehensive array of online business tools at your fingertips. Designed to simplify the ordering process and manage your account, this one-stop resource provides the information you want, when you need it. My Boral offers a simple and highly efficient means to place, manage and review your product orders in real time, all from the convenience of your computer, tablet or smartphone.

Improving customer service is a driving force for Boral Roofing. As the leading manufacturer of Clay and Concrete Tile, and supplier of a full line of Roof System Components, we are dedicated to delivering the advanced business tools your company needs to facilitate and simplify the buying process. Of course, no one knows better than you what services your company needs. That is why My Boral was developed with the valuable input of our customers. We encourage you to try our online services and share your thoughts with us. Your feedback is vital to helping Boral Roofing continue to create new web based features and online tools that will help your business succeed. Please send your ideas to askcustomerservice@boral.com so that My Boral can continue to be the voice of the customer.

GETTING STARTED IS SIMPLE

We've made getting started easier than ever before. Simply create your account by registering as a My Boral user at Boral Roofing's website: www.BoralRoof.com. Once you've completed the online registration form, one of our experienced representatives will contact you directly to complete the setup of your personal account.

MANY WAYS TO ACCESS YOUR ACCOUNT

Improving your efficiency and order accuracy is a breeze with our many on-line services. As a registered user, you can access, manage or change order information on your account 24 hours a day, seven days a week. Keep in mind that My Boral is available for you to use on your desktop, laptop, tablet and smartphones. Through the My Boral site, you may access:

- **Home Page Dashboard** with your most recently placed orders and most recent deliveries with quick links to confirmations, Proof of Delivery and Invoices.
- **Resource Library on the My Boral Home Page** Encompasses a whole section of PowerPoint Demos, reference documents, communications, and forms to help you navigate through all the business processes when partnering with Boral Roofing.
- **Remote access to multiple accounts.** For large companies with multiple branches, users can be setup to login once and switch around to orders for groups of their branches without having to log in and out.
- **Global Availability Check (GAC)** Browse availability for Boral Roofing products in all plants around the country to

easily find what you need. This looks great on the smart phone and gives you easy access to check availability on a product your customer may be asking you about while you are talking to them.

- **Project Quote Maintenance (PQM)** View all of your projects with Boral Roofing, and create orders from them - applying the appropriate pricing for the job.
- **Sample Order Entry (SOE)** Place a sample or literature order in real time.
- **Sales Order Status (SOS)** Check the status of your orders; change the dates, products, quantities, purchase order number or delivery address on your orders; cancel them if you need to; and retrieve documents associated with the orders.
- **Direct Order Entry (DOE)** Enter new orders for standard, last call and close out products in real time.
- **Order Availability Check (OAC)** Gives you a quick way to check the status of a particular order and see if everything is available. This looks great on the smart phone and gives you easy access to order updates.
- **Deliveries on Line (DOL)** Allows you, your brokers, truckers, etc. to go online and setup your deliveries ahead of time so the product is ready when the truck arrives at the Boral yard for quick and accurate turnaround.
- **Claims Entry System (CES)** Allows you to enter any product claims you may have so that Boral can get working on investigating them for you immediately.
- **Return Entry System (RES)** Allows you to setup returns on eligible shipments so that your truck is unloaded quickly at the Boral yard with no authorization or paperwork delays.
- **Statements on Line (SOL)** View any open items on your account and secure copies of pertinent delivery tickets and invoices.
- **Aging on Line (AOL)** Provides you with your payables aging with Boral Roofing in the traditional way – with totals in each period - current, 31 – 60 days, etc. to assist you in keeping an eye on your payment performance and any straggling items.
- **Warranty Registration** for you and your customers to register the product warranty for the property it has been installed on with immediate confirmations provided.
- **Feedback System** allows you to tell us if you are having any problems on the site, recommend enhancements and contact customer service for assistance.
- **Documents on Demand (DOD)** Request immediate copies of the most frequently requested documents and reports associated with your orders and shipments.
- **Customer Output Preferences (COP)** Enables your company's Super User to establish the preferences for documents your company would like to receive automatically on a regular basis by email and fax and how frequently you would like to get them.
- **My Output Preferences (MOP)** Enables each user in your company to setup which reports and documents you want to get automatically on a regular basis by email and fax and how frequently you would like to get them.
