

# Homeowner Referral Program

Because we know that your opinion is valued by friends and family, we invite you to participate in the Boral Roofing Homeowner Referral Program.

Earn a \$250 VISA® debit card for each friend or family member that purchases reroof products selected from Boral Roofing Lightweight Collection Brochures!

## How It Works

Once you've had your Boral reroof tile products installed, and have registered your warranty, you can qualify for the **\$250** referral program.

To initiate the referral process, you will need to call your roofing contractor and give them the name of your friend or neighbor. Once the contractor has installed their reroof products, and the warranty has been registered, you will qualify for the referral.

Simply fill out the Business Reply Card at the bottom of this flyer and mail it to us. Once we have verified that your warranty is registered and your referral's warranty is registered, your **\$250** referral will be processed.

Please keep in mind that both warranties must be registered in order for the referral to qualify for the program. You can register your warranty online by visiting [www.BoralRoof.com](http://www.BoralRoof.com). See reverse for further details of the program.

## Referral Program Details

- This program is limited to three referrals per homeowner.
- This offer is only valid on the purchase of Boral reroof tile products.
- Duplicate referrals of the same homeowner will be handled on a “first referred” basis. Only the first referral of any particular homeowner or household will be honored. The postmark will serve as the deciding factor of first received.
- The **\$250** Homeowner Referral is issued in the form of a VISA® debit card that in no way affects your credit report. Checks will not be issued in lieu of the debit card.
- A **\$250** VISA® debit card will be issued to the referring homeowner after the program administrator verifies that both warranties are on file. Once both warranties are verified, payment will be processed within 30-45 days of receipt of the completed form. Your accountant can advise you of any tax consequences arising from money earned through this program.
- The debit card expires one year from the date of issue. Any unused funds on the card will be forfeited. Checks will not be issued for any funds remaining on the debit card.
- Boral Roofing reserves the right to change or discontinue the program at any time, without notice.
