PICTOGRAM:

HAZARD STATEMENT(S):

May cause eye irritation.

May cause respiratory irritation.

May cause cancer.

May cause damage to respiratory system through prolonged or repeated exposure.

PRECAUTIONARY STATEMENTS:

Cutting, crushing, or grinding crystalline silica materials will release respirable crystalline silica. Use all appropriate measures of dust control and suppression and Personal Protective Equipment.

FIRST AID:

EYE CONTACT: If injury is due to a projectile, seek immediate medical attention. For eye irritation due to dust, rinse continuously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. Obtain medical attention.

INHALATION: If dust inhaled, remove person to fresh air and keep comfortable for breathing. Provide drinking water, if conscious, to flush mouth and irrigate upper respiratory tract. If difficulty breathing or irritation persists, obtain medical attention.

CALIFORNIA PROPOSITION 65: WARNING!

This product contains crystalline silica and other chemicals known to the State of California to cause cancer, birth defects, or other reproductive harm. Avoid inhaling dust when cutting or shaping product, or use dust mask.
